

WCATY SUMMER T-SHIRT CONTEST

Each year WCATY accepts designs from students for our program t-shirts, which are worn by all of the students and staff! Show us your creativity!

- Submit an 8 ½ x 11 or larger drawing in black ink on plain white paper (A Sharpie Medium point marker works the best for the ink)
- Keep it simple and bold!
- You may use a computer to help you with the design, but all work must be your original work (no clip art is allowed)
- More than one entry is allowed
- If you wish to specify t-shirt or ink colors, please include this with your drawing. WCATY will consider your choices. Please keep in mind that darker t-shirt colors will feel hotter on hot sunny days!
- Enclose a separate sheet of paper with your name, age, and address
- All entries must be postmarked by **April 28th, 2017**
